# HWS System Packaging HelpGuide 1.1

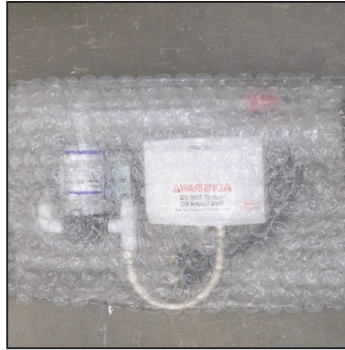

## STEP 1

Please include: Quick Connect Cap (A), Quick Connect Tube(B), and Hot Water System(C).

## STEP 2

Tightly wrap the System, Quick Connect Tube, and Quick Connect Cap in bubble-wrap.

## STEP 3

Tape the bubble-wrap.

## STEP 4

Make sure bottom of box includes thick layer of proper packaging material.

## STEP 5

Insert wrapped System inside the box and surround with more packaging material.

## STEP 6

Pack tightly.

## STEP 7

Use a cardboard box approximately 24"x16.5"x9.5".
