

# DO NOT SIGN A CLEAR DELIVERY

Without notating any damaged packaging or the Damage Disclaimer on the delivery receipt, releases the freight carrier, Ozark River Manufacturing and their Resellers from any replacement costs.

## When Your Sink Arrives, Inspect the Carton for Damages.

**REFUSE** the shipment if damages are present and follow the instructions below.

1

### Follow the Instructions:

"How to Inspect Your Portable Sink."

2

### Note on the Delivery Receipt

ALL bumps, holes, scratches, and dents on the delivery receipt.

*Example: "Carton has holes on the left side."*

3

**If your driver will not allow time for the inspection, write this disclaimer on the delivery receipt:**

*"Further Inspection Needed for Concealed Damages."*

4

### DO NOT Dispose Any Packaging

Until you have been able to inspect the unit in detail.

Report damages and wait for further instructions.

Any questions regarding these instructions, please contact our Shipping Department at 1-866-663-1982.

## Inspect Your Portable Sink

Packaging should **NOT** have holes, scratches, indents, punctures or bends.

**PULL** bottom flaps free from carton

**LIFT** carton straight up and off

**REMOVE** cardboard corners and plastic sheeting

**PULL** down sides of the carton to lay flat on the ground (Be careful of sharp staples).

**LIFT** using at least two people to lift the sink off the shipping base.  
**CHECK** faucet base, outside surface, doors, cabinet bottom and inside for any damage.

**INSERT** a coin to unlock the cabinet and open the doors to check for damage.  
Accessory box includes faucet, stainer, soap dispenser with stem, and instructions.

**If Any Damages Are Present, REFUSE THE SHIPMENT!**

*DO NOT* sign the driver's delivery receipt, and call your dealer or 1.866.663.1982.  
Repack the sink in its original carton and tape it securely.
